The following is based on *The Witcher Thursdays* and may contradict Andrzej Sapkowski's works or R. Talsorian Games' official *The Witcher Role-Playing Game* line.

The **Migwesk** were an ancient human tribal culture prominent in the north before Nordling expansion. They lived alongside the Dauk[1] and the Wozgor.[2]

Migwesk	
General Information	
Classification	Human culture
Locations	Roughly the modern day Hengfors League territories, northern Poviss and the Far North

Trivia

- According to the author of *A Short History of Hengfors* supplementary material, the introduction of the Migwesk is meant to serve as an in-universe source of the real Algonquian traditions and names, such as naming one o
or wearing feathers in native Amerindian manner by some Povissites in *Fading Memories*.
